

MALU CL

LED Outdoor surface-mounted ceiling light, anthracite, IP44, 3000K

The MALU family luminaires, which are made of aluminium, provide solutions for the ceiling, wall and standing light areas. Thanks to its IP55 protection class, the luminaires are suitable for outdoor use. The electrical connection is made directly to the 230V mains supply. The unusual lamp head means that the built-in LED has particularly wide light distribution.
